## STEP 3: CHOOSE A DESIGN

Here's the fun part! What do you want on your sweater? Here's some ways you can decide:

- Send us a picture or a photo, and if it does not have copyrighted material on it, we can put it on. Want us to give it a bit of a flare? Add a border to it? Let us know and we will try our best to give it that extra oomph.
- Make a statement! Add a saying to your picture, or even just tell people how you really feel with just the words! It's all up to you.
- Want us to design something for you? Have a crazy idea but not sure how to do it? Let us know and we will get our creative juices going.
- Check out our ever-growing samples and make them your own! See something you like but it's not quite right? Let us know and we will fine tune it.

## PRICING

Base price is \$40 to \$50 depending on sweater size and style.

This includes either:

- Metallic, Holographic, Glow-in-the-Dark, Puff Vinyl, UV Activated, or Glitter additional \$4 per layer
