STEP 3: CHOOSE A DESIGN

Here's the fun part! What do you want on your shirt? Here's some ways you can decide:

- Send us a picture or a photo, and if it does not have copyrighted material on it, we can put it on. Want us to give it a bit of a flare? Add a border to it? Let us know and we will try our best to give it that extra oomph.
- Make a statement! Add a saying to your picture, or even just tell people how you really feel with just the words! It's all up to you.
- Want us to design something for you? Have a crazy idea but not sure how to do it? Let us know and we will get our creative juices going.
- Check out our ever-growing samples and make them your own! See something you like but it's not quite right? Let us know and we will fine tune it.

PRICING

Base price is \$25 to \$30 depending on shirt size and style.

This includes either:

- a single colour of cut vinyl design up to 12" x 12"
or
- a printed design up to 8 ½" x 11"

Custom Add-Ons:

- Additional layers of cut vinyl \$5 per layer
- Metallic, Holographic, Glow-in-the-Dark, Puff Vinyl, UV Activated, or Glitter additional \$4 per layer

Need help? Want us to add some words or border to a picture, or create something new? We can assist with design layout for an additional \$5 to \$10, depending on complexity.
